# What does Free API of the Moscow Stock Exchange Show Investors in Google Sheets?

Mikhail Shardin Feb 7 · 4 min read

Last year the number of private investors at Moscow Stock Exchange (MOEX) has doubled and reached 3.86 million: about 1.9 million people have opened accounts at MOEX in 2019. The Saint Petersburg Stock Exchange which specializes in trading of foreign company shares has seen its accounts increase three times from 910,000 to 3,06 million over the past year.

The screenshot shows the Moscow Exchange website ([www.moex.com/en/](http://www.moex.com/en/)) with the following details:
